

January 18, 2019

**Objective:**

The Legoland school trip is an opportunity for our students to participate in practical activities of mechanics, robotics, energy sources, spatial orientation, etc. in an environment of family fun in the company of their teachers.

**Cost:**

- \$15 per child (student or family friend)
- \$25 per adult
- \$35 per bus seat (child or adult)
- \$10 per parking pass (limited quantity)

Tickets must be ordered and paid before January 11, 2019

**Technology classes:**

- Every 4-year-old is going to be enrolled in a technology class.
- More information to come.

**Driving Rules:**

You can only drive your own children. It doesn't have to be the parents who drive the children, any adult authorized in the family can drive/ride with the students. Ex. An older sister (18+) can drive the younger siblings. Grandpa can drive their grandchildren, etc.

Friends can not drive another friend's child to Legoland.

**General:**

- Students are not required to wear uniform. Sport clothes are recommended, please do not use inappropriate graphic clothes.
- Students need to wear tennis shoes for their own safety.
- Respect to others is expected from all the people participating in the field trip.
- School rules and consequences apply to the field trip.
- All Legoland rules must be followed and respected by everyone on our fieldtrip
- Visit [Legoland.com/California](http://Legoland.com/California) for specific Park info.

If you are driving your child(en):

- You are on your own driving and meals schedule.
- We will meet at 9:00 at the section: "The beginning"
- Please remember you can only drive your own children.
- There is an all school MANDATORY meeting time 1:30 at the section: "The beginning" at "The market place".

If your child(en) is in the bus:

1. Arrival at school is 5:45 in the morning
2. Bus is departing at 6:00 am and arriving at school at 6:00pm
3. Keep your phone handy. Mr. Rivas will text you when we arrived to Legoland and we will text you driving times on our way back.
4. Please pick-up your child on time at 6:00pm
5. Students will bring a lunch box with breakfast, lunch, dinner, snacks and at least 2 water bottles per child. Every student oversees carrying their own lunch box.
6. If you want to, you can send money, so your child can buy lunch and/or dinner in the park. In this case you MUST send your child's money on a Ziploc bag with his/her name and turn-it-in in the morning to the teacher. Chaperones are going to help administrate your child's money, however talk with your children about how do you want the money to be spent.
7. If you want to send money so you child can buy Legos or souvenirs at the park, you will also need a Ziploc bag with name and the chaperones are going to help your child. Please talk with your child about how do you want that money to be spent.
8. Students are also going to carry a swimsuit, a small towel and sandals.
9. Students can bring a pillow and one electronic for the bus trip. Pillows are staying on the bus. Mrs. Rivas will collect the electronics during the day and store them in a locker at Legoland.
10. If you want your child to have his/her cellphone with them during the day, it is going to be on your own responsibility and risk in every aspect. Please take in consideration that there is a big possibility that the cellphones can get wet!

## Legoland Fieldtrip Prayer to the Guardian Angel

Santo Ángel de la Guarda, pídele al Señor que bendiga el viaje que los miembros de la escuela de Santa Catalina de Siena emprendemos a Legoland. Que beneficie la salud de mi alma, para que aumente mi conocimiento en las leyes de la ciencia y de la naturaleza que tu creaste. Que aumente la amistad entre mis compañeros de las escuela, familiares, maestros y amigos que nos acompañan y que, llenos de alegría al regresar de este viaje sanos y salvos, podamos encontrar a nuestras familias en buen estado de salud. Cuídanos, guíanos y presérvanos.

Amén.

My Holy Guardian Angel ask the Lord to bless the journey that the members of St. Catherine of Siena School will undertake to Legoland. May it can benefit the health of my soul, so that it increases my knowledge in the laws of science and of the nature that you created. May it strengthen the friendship among my classmates, relatives, teachers and friends who accompany us. May we be full of joy upon returning from this trip safely and may we find our families in good health. Take care of us, guide us and preserve us.

Amen.
